## This year's Festival

We hope you will come and experience what the Festival has to offer, either for the whole weekend or as a day visitor.

We have combined all the best parts of the old Mildenhall Rally, while investing time and money into a super new venue that includes a purpose built Village Hall & licensed bar and an adjacent camping field with views looking out over the Fens!

We have kept the upgraded portable toilets and the separate blocks of individual showers for Men and Women.

The new site is just over two miles from the old Rally site, but you can cycle to Mildenhall using the very safe tarmacked Wamil Way bridleway.
